

Delivery Driver - Phone Screening Interview

Hi, is this Wei?

Yes, this is Wei speaking.

Hi Wei, this is Mark from QuickShip Logistics. Is now a good time for a short phone interview?

Yes, now is a good time. Thank you.

Great. Can you tell me about your experience working as a delivery driver?

I worked for two years with a local food delivery company. I delivered packages and meals around the city and followed customer instructions.

Do you have a valid driver's license and a clean driving record?

Yes, I have a full license and no tickets or accidents.

Are you comfortable using a GPS or phone app for navigation?

Yes, I always use GPS apps like Google Maps or Waze to find the best route.

How do you handle late deliveries or traffic delays?

I try to leave early, but if there's traffic, I call or message the customer to update them. I try to stay calm.

Can you lift packages up to 50 pounds if needed?

Yes, that is no problem. I have done that many times.

Are you available to work weekends or evenings?

Yes, I am flexible and can work different shifts.

When would you be available to start if hired?

I can start next Monday.

Perfect. Thanks for your time, Wei. We'll follow up soon.

Thank you very much. I look forward to hearing from you.
