

Hi, is this Jordan?

Yes, speaking.

Hi Jordan, this is Steve from Metro AutoCare. I'm calling for a quick screening chat — do you have a moment?

Yes, I do.

Can you tell me about your experience as a mechanic?

Sure. I've been working in the UK for about 7 years. Mostly independent garages and some dealership work.

What kinds of repairs have you done?

Diagnostics, brakes, suspension systems, oil and filter changes, and some light engine repair.

Do you have a valid mechanic license here?

Not yet. I'm currently in the process of applying, but I have strong experience abroad.

Do you have your own tools, or would you need company tools?

I have a basic set of tools, but I'd rely on company equipment for heavy work.

Are you comfortable with diagnostics software and computer-based repair tools?

Yes, I used Bosch and Delphi systems before.

Are you available for flexible scheduling, like weekends or evenings?

Yes, absolutely.

When could you begin working with us?

I'd need about one week to get ready.

Thanks Jordan, we'll reach out after reviewing your background.

Thank you, Steve. I look forward to hearing back.
